Kids today--You bring them up to be good, God-fearing Christian citizens of this great country of ours; and look what they do. They turn their backs on everything that's right and just. These freeloading ingrates are ruining our country and our world. If these dirty, stinking, hippy-freaks, sex perverts, and drug addicts are tomorrow's leaders, then there's no tomorrow. I'm just glad I won't be around to see these atheistic, pinko anarchists run this country right into the ground.

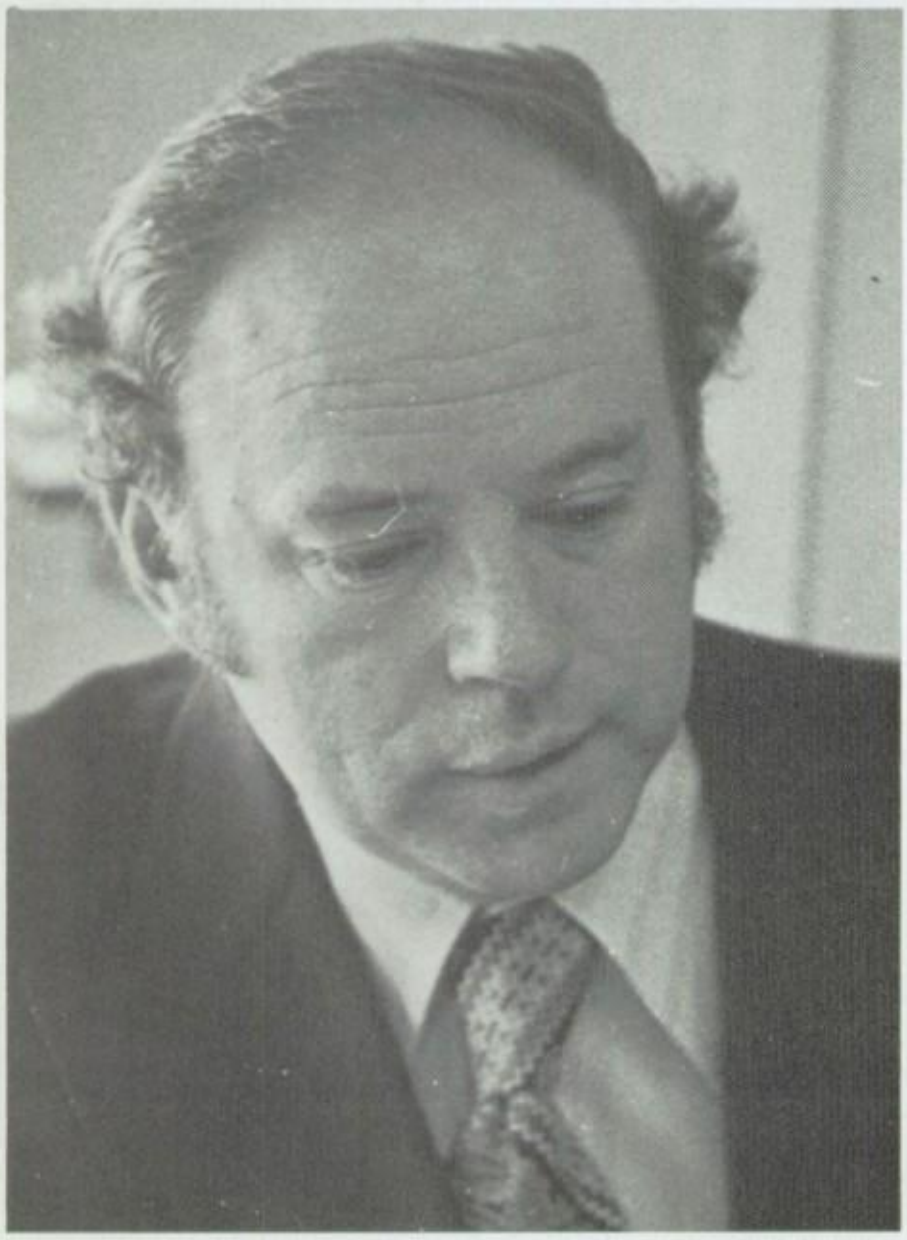
Yearbook Staff



The somewhat smiling face of Mr. Robert Moynagh lets all know that he is pleased with his humble staff's (above) work. Note the twinkle in his eye. Indeed it is symbolic of the brilliance and glittering ingenuity in the ideas that have poured forth from their heads as well as his, which is already famous around the halls of St. John's. So we take this opportunity to tip our hats to him in the hope that he shall look favourably towards us when the final judgement day arrives, i.e. 4th quarter.

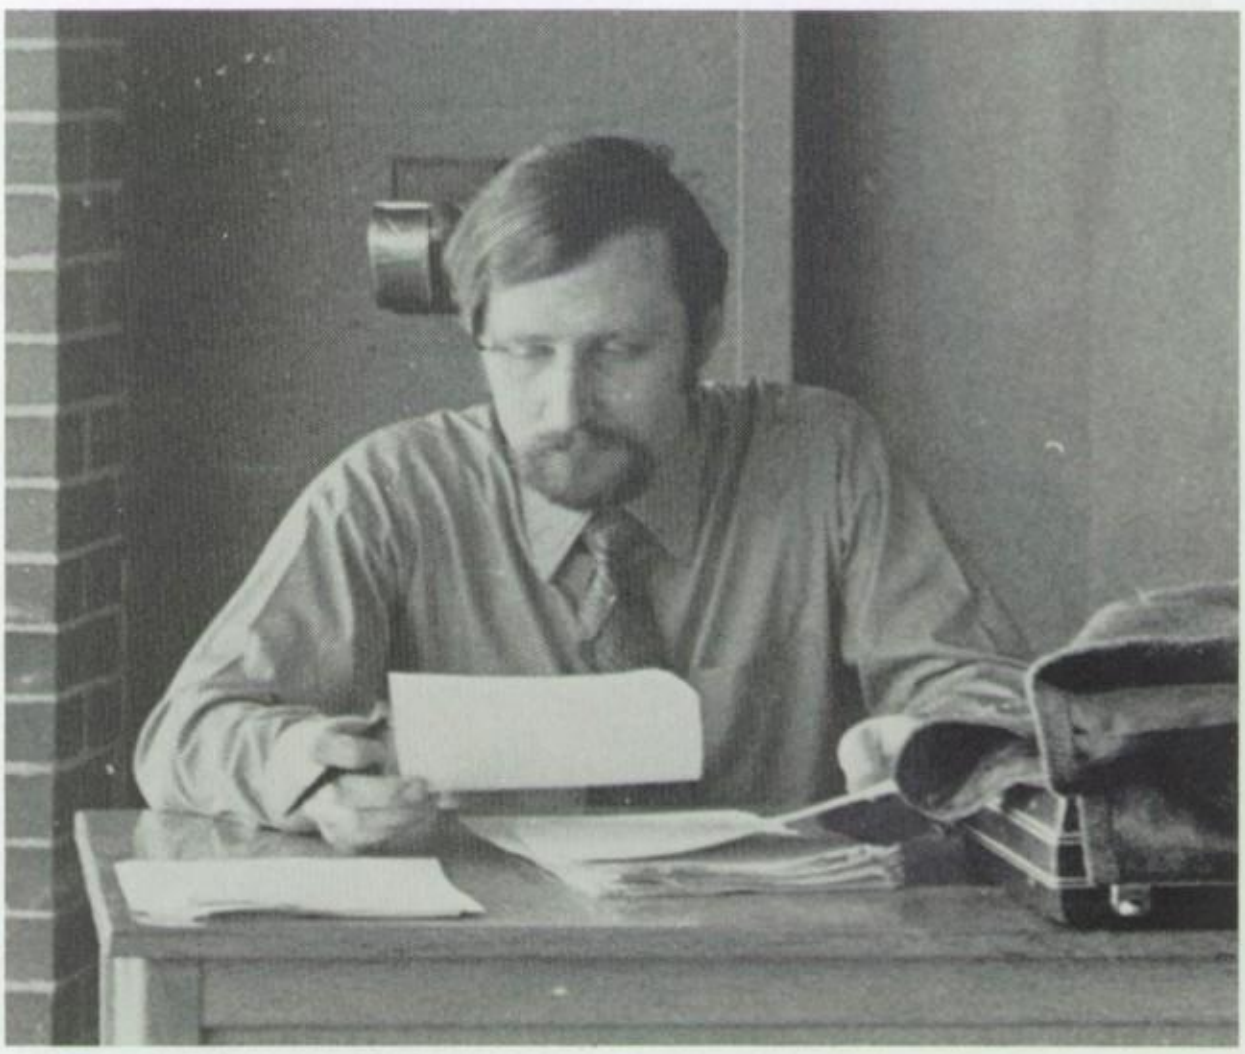
MR. RICHARD DOYLE was the student government's tie into the faculty and administration. He could be called what is commonly known as a "trouble shooter". His devotion to the success of all student activities was greatly appreciated.

Moderators



The red beard signified to all that one of the brains of the organization was present. MR. NOVICK devoted an immense amount of time toward coffeehouse activities. Affectionately known as the "Cossak", he guided many activities into enjoyable evenings for us.

Aside from Latin, BR. KELLY was best at running socials. He was MR. NOVICK'S counterpart and did a fine job as all expected he would. This possibly could be explained by his knowledge of the workings within the Roman Empire.

MR. ROBERT BRADLEY not only was in charge of the cellar rats, but also the dances. Though dances were limited in number, his presence was strongly felt when one took place. Excluding his jokes, everything he did was just right.

BR. KENNETH was MR. BRADLEY's counterpart on the dance organization. Even though he was always involved in what seemed to be an unlimited number of activities, he was always there when duty called.

Research

This year the administration made a bold move in creating the "Research Period" for the seniors. Though the name may be deceiving, it was an overall success. "Research" was a free period for the constructive seniors. Lunch, chess and homework were some of the major activities during this period, but its outstanding characteristic was that it created free time for the seniors to relax in a constructive way and innovated good feeling between students and administration officials. Br. Tom Fahey's face became a familar sight for the first time that was not a result of "report to Rm. 104 after school".

SPORTS

Soccer

The 1972 St. John's Soccer Team faced the unenviable task of replacing eleven graduated seniors from the 1971 Catholic Conference championship team. Improving on the previous season's record of 14 and 2 would be a difficult assignment. Through hard work and determination, the team proved themselves as good as, if not better than, the 1971 squad.

St. John's superiority became evident in the first game, a convincing 5-1 victory over Westboro. Next, the Red faced Leominster and suffered their first loss. This was one of only two setbacks that would be encountered in the regular season. After this loss St. John's returned to the winning track. The Pioneer's built a nine game victory string, defeating David Prouty, Fitchburg, Wachusett, Marianhill, St. Mary's, Holy Name (2) and St. Peter's (2). The streak came to an end with a second loss to Leominster, 1-0. St. John's closed out the scheduled season with victories over St. Mary's and Marianhill.

Having captured the Catholic Conference championship for the second time with a perfect 8-0 record, the Pioneers were invited to the Massachusetts Schoolboy Soccer Tournament. St. John's drew a strong Chicopee Comprehensive team. The decision went to the Chicopee school, 4-2. It was an unfitting climax to a great season.

Certainly not to be forgotten are the records set by this team. They include an unbeaten Catholic League season (8-0), the most goals ever scored by an SJ team (55), the fewest opposing goals (10), the least number of SJ losses (2), and the most shutouts (7). 1972 proved that St. John's will be a Central Mass. soccer power for years to come.

Soccer is predominantly a team sport. However, the 972 booters' success distinguished many individuals.

Offensively, the Pioneers were led by SJ's All-American, Ken Carlson. Ken had 19 goals and 7 assists or a new school record. Wing Mike Wood finished second n scoring with 15 goals and 7 assists. "Mr. Clutch" cored 4 game winning goals. Sophomore Steve Lemieux inished third with 13 goals and 5 assists, playing only ight games. Mike Koomey was a standout performer at ffensive halfback. Rich Houston, Courtney Grimes, John ouhy, Dave Crowley, Kev Spreadbury and Rich Trembo-vicz rounded out the powerful SJ offense.

Equal to the offense was the strong Pioneer defense. The defense was led by Brad Barker, SJ's version of the European sweeper back. Rich Rogers and Tom Shilale vere the fullbacks who stopped the area's top scorers. ohn Rosseel's speed and aggressiveness and John Houston's "super" throws made them outstanding defensive half-backs. Keys in their versatility, Jim Mias saw action at ving and halfback, while Tony Painton played halfback, ving and fullback. Mike Moynihan's dedication estab-ished him as one of the toughest SJ defenders. Captain Brian Fisher manned the goal. Brian became the finest goalie in the area, setting a school record by allowing only 10 goals and recording 8 shutouts. Mike Rosseel, Dan Fitzpatrick and Bob Steele completed the stingy Pioneer defense.

Seniors Mike Wood, Brian Fisher, Ken Carlson and Brad Barker were chosen Catholic Conference All-Stars.

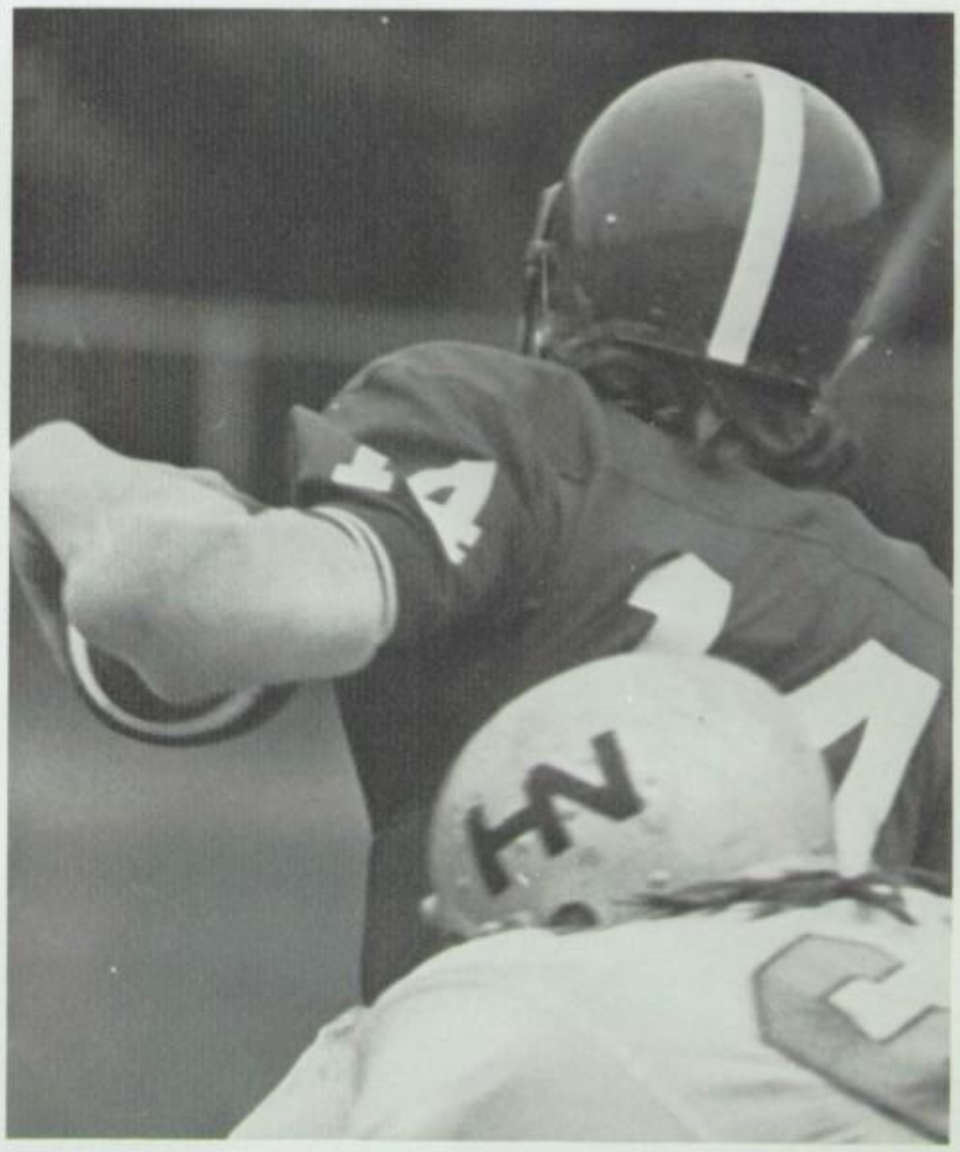
Football

The St. John's football campaign of 1972 ended with a four win, four loss, and one tie record. It may not have been a great season, but everyone must agree that it wasn't a losing one. The primary victory was the experience gained by the underclassmen which will prove beneficial in the 1973 season.

A loss to perennially powerful Leominster initiated the squad. After this setback, the Pioneer's strong defense came to the front. In the following three weeks St. John's out scored its opponents 32-0, coming up with victories over Holy Name and Doherty and battling Gardner to a scoreless tie. Next, SJ encountered North High. The Polar Bears were beaten by what was beginning to look like the "Big Red Machine".

Cross-town rival, Shrewsbury, possessing an undefeated record, was now the concern of the St. John's forces. Shrewsbury left Pioneer Field victorious by a touchdown. SJ seemed to be on the rebound the next week in Southbridge, but two fourth quarter touchdowns by the home team led to a one point loss for St. John's. The Pioneers did recover against a game Burncoat club, making a sweep of the interhigh competition.

As is the custom, the season finale was with arch-rival St. Peter's. St. John's played perhaps its finest defensive game of the season, holding St. Peter's to two touchdowns, both following Pioneer fumbles. The defense accounted for the only SJ score, a safety. With this disappointing 12-2 loss the year came to a close.



The roster of the St. John's Pioneers for 1972 contained, as usual, the names of many of the area's outstanding players. Two of these stand out ahead of the rest. One is Kevin Quinlivan, the powerhouse running-back whose desire motivated the entire team. The other is John Fitzgerald whose speed and agility from the wide-receiver spot made SJ a scoring threat from anywhere on the field.

A team is made up of more than two players, however. There were other running-backs. Jon Brunell and Brian Kittredge each picked up some big yardage. There were other receivers. John Harvey and Tony Penny made many important catches. Also, what are receivers and running-backs without a quarterback? Jim Garvey did a fine job at running the offense.

The strong point of this year's squad was the defense. The unit was centered around the Junior linebacking corps of Jeff Allain, Mark Killeen and Mike Creane. Speedster Bob Ostrosky did a tremendous job in the defensive secondary. With the help of a great defensive line, the big SJ defense shut out three teams.

One cannot forget the line. These are the guys who give and take most of the punishment. This year, John Costedio, Pete Blute, Gerry Fitzgibbons, Jim Derry, John Grosse, Bob Reidy, and Dan McCarthy all gave more than they took.

Then, there was the bench. The strength of a football team lies in its ability to substitute for tired and injured players. Mark Renauro, Mike Perrato, Tom Anderson, Rich Mall and Jim Carr were always ready to step in when needed.

Cross Country

For years, the SJ Cross Country team has dominated the area scene. However, no team can stay on top forever. 1972 saw St. John's fall from its lofty plateau, as it completed the season with a record of ten wins and seven losses.

The very nature of the sport explains much about the Pioneer's demise. In a two mile meet, experience and endurance can be even more important than speed Many SJ runners just didn't have the necessary stamina and know-how. The team was young, dominated by underclassmen. They weren't able to win consistently enough to make St. John's a power this year.

Things were not as bad as they might appear. The team did have a winning record, even if a disappointing one. The ten wins included victories over such teams as Leominster and St. Peter's. Two of the seven losses came at the hands of Doherty and Wachusett, which were among the state's top teams. Also, the young team gained experience. They won't be inexperienced next year. With the talent that the SJ runners have, Doherty and Wachusett better watch out.

For a coach like Brother Fintan Curran, and a team with such a record of excellence, a 10-7 season is difficult to accept. However, today's disappointment should lay the groundwork for another dynasty.

CROSS COUNTRY - Mark Webber, Linas Vaitkus, Gary Smith, Larry Thompson, Larry McKevitt, James Power, James Cashman, Mike Barry, Jack Tracy, Bob Patnod, Fran Shea, Joe Tracy, Shaun LeHair, Mike Murphy, John Turpin, Chris Belanger, James Plasse, Jack McCaffrey, and Bob Wedgewood.

Mark Webber, Linas Vaitkus, Jack Tracy? These three names stood out on the 1972 Cross Country team. Webber was the senior speedster who consistently finished first in the meets. Linas was the emotional leader of the team as his hustle and determination made up for his lack of tremendous speed. Jack was the sophomore-sensation who could compete on the same level as the upperclassmen and beat them. These three runners were the core of the '72 team.

There were other fine runners, however. Seniors Larry Thompson and Gary Smith did some great running over the past few seasons. Juniors Mike Barry, Larry McKevitt, Tom Hill and Jim Power can be expected to step in next year to take up the slack left by graduating seniors. The real hope for the future lies in the sophomore class. In addition to Jack Tracy, Bob Patnod and Fran Shea developed into consistent scoring threats by the season's end. Freshmen John Turpin and Mike Murphy gained important experience this year.

Although Cross Country is mainly a team sport, important individual honors were won by many of the team members in several races. The Catholic Conference Individual Championships saw Mark Webber take first place with Vaitkus, Power and Barry also winning medals. In the Freshmen-Sophomore division, Jack Tracy won in record time. Patnod and Shea also received honors.

Several Pioneer runners took trophies in the Kiwanis Club Race (6) and the Knights of Columbus Race (6).

Basketball

Oh, what might have been. This is the sentiment that comes to mind after the St. John's Basketball season. With four starters returning from the previous year's fine team, the outlook could be nothing but optimistic.

The Pioneers justified this optimism, crushing St. Bernard's in the season opener. A one point loss to powerful Springfield Commerce slowed the pace, but not for long.

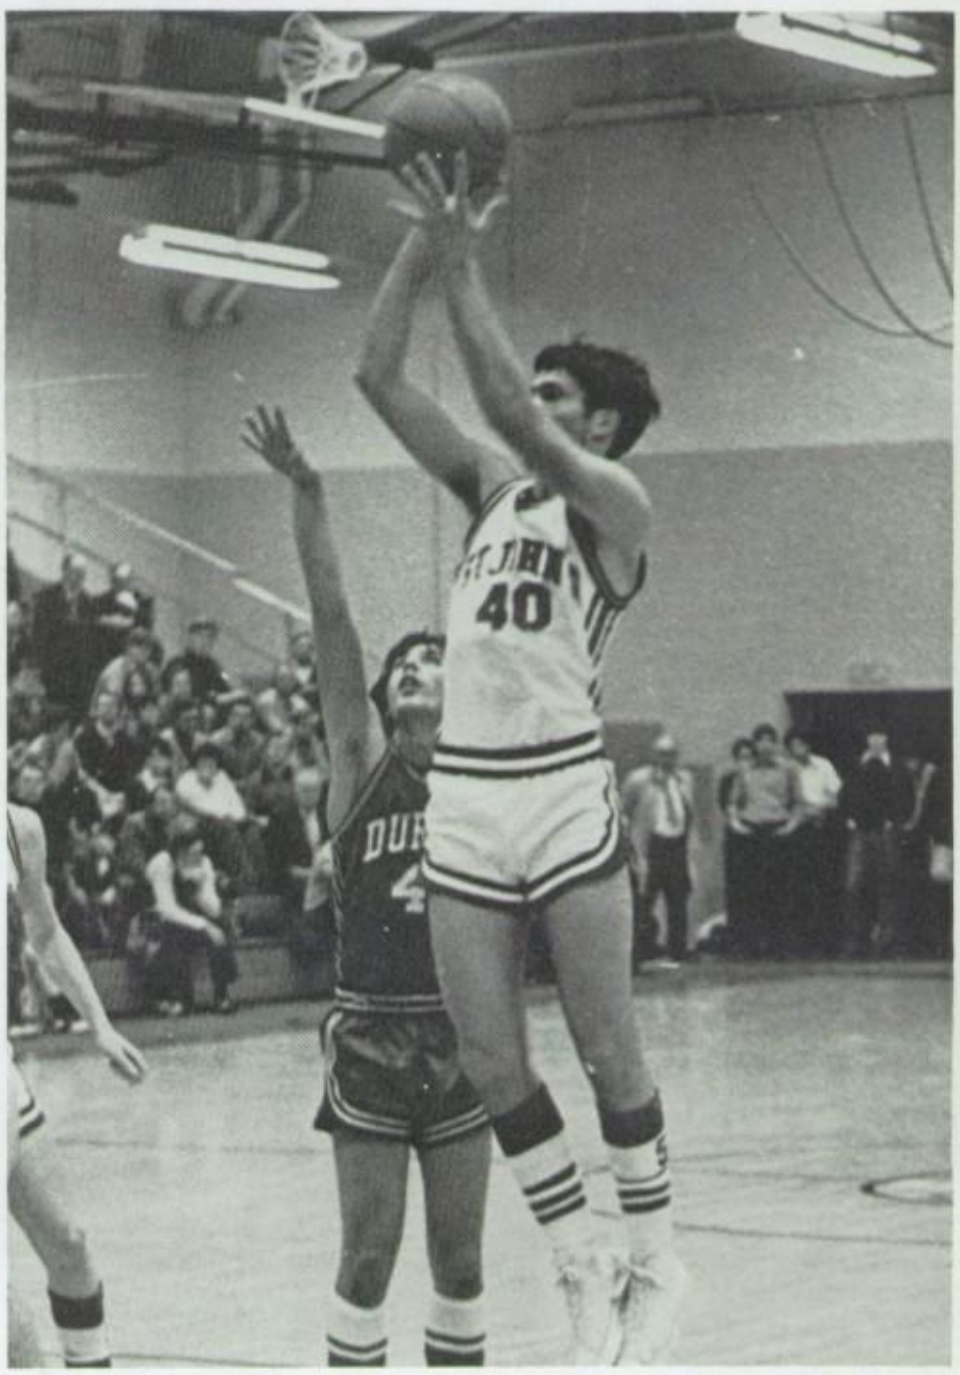
St. John's built a nine game win streak which included a hard fought victory over the eventual state champions, Holy Name. The final game of that streak ended on a dismal note as the Pioneers were struck by disaster. Star center, John Welsh, injured his knee in rebounding action against Burncoat. John did return in a late season Doherty game, only to re-injure the knee. His St. John's career had ended.

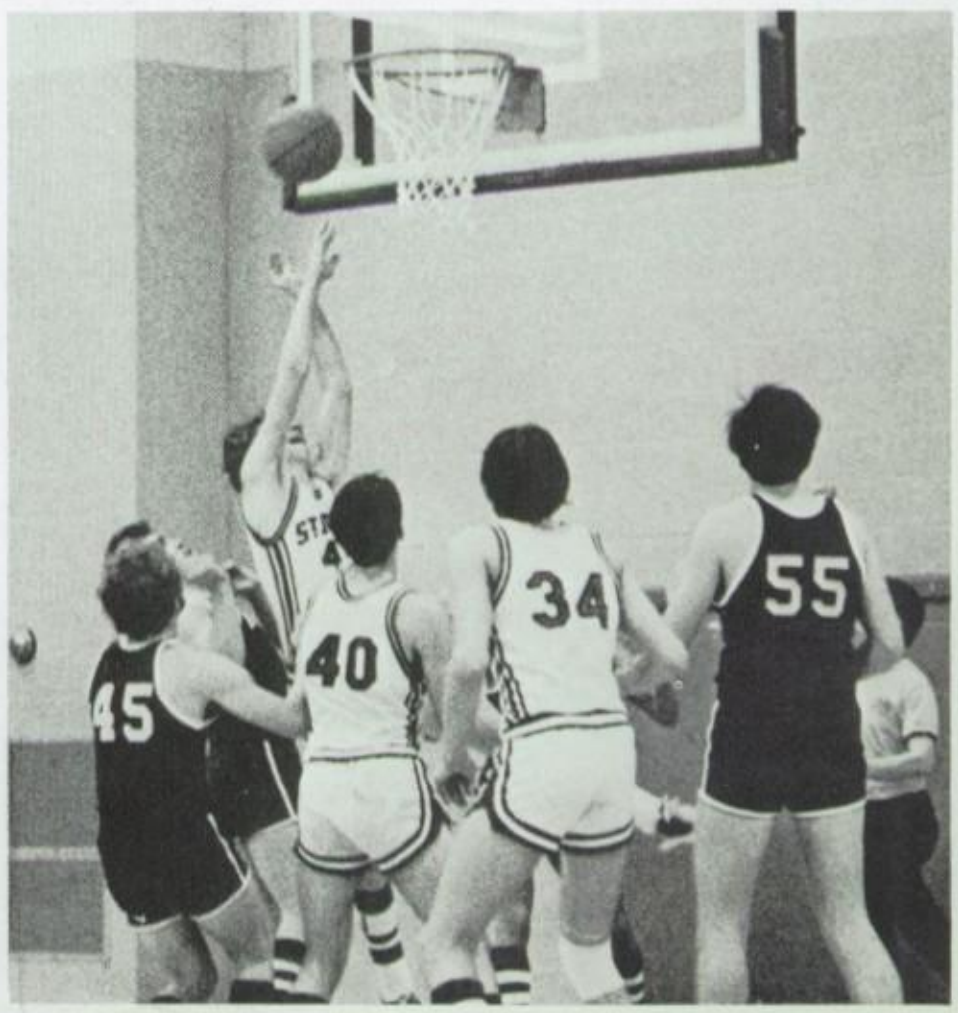
While still a fine team, the Pioneers just were not the same without Welsh. The following weeks saw losses to St. Peter's, Holy Name and New Bedford. However, last second shots by Jim Marois brought St. John's victories over Durfee and St. Peter's in the second match-up.

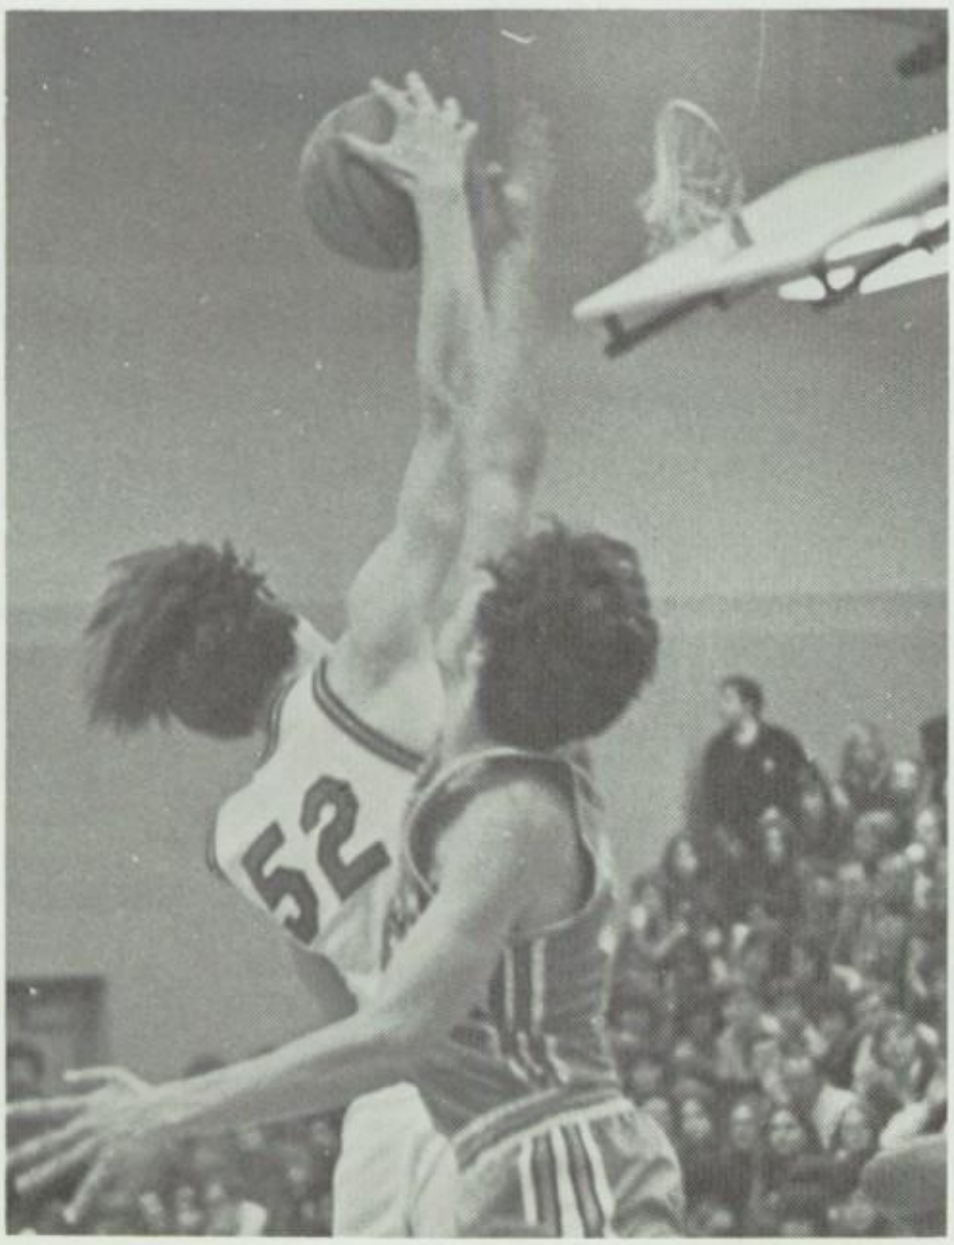
In the opening round of the New England Catholic Tournament, the Pioneers defeated second-seeded Bishop Stang. This win entitled them to meet Holy Name. The Naps proved too much for the Welsh-less Pioneers.

The Districts were much the same. St. John's defeated Wachusett for the right to play Holy Name. Although the Pioneers made a game effort and seemed on the verge of pulling off the upset of the year, the result was a six point loss.

St. John's did win the Worcester Telegram and Gazette Class A Championship, a small consolation to what might have been.







The 1972-73 edition of the Basketball Pioneers included some of the finest talent in the area. Co-captains John Welsh and Jim Marois readily come to mind.

John was "our man underneath", the best center in Central Massachusetts. He provided inspiration for the team, constantly shouting encouragement. At the time of his injury, John was the Pioneers' top scorer and rebounder.

Jim was the quiet man, but also the floor general. He directed the team from his guard position. Always a good assist man, when the pressure was on Jim became the scorer.

Kevin McMaster and Mike Sturgis held down the forward positions. In addition to scoring, they were to help with the rebounding. However, the loss of Welsh placed new responsibilities on them. They fulfilled all assignments.

John Rosseel and John Hurley shared the duties as Marois' partner. Both were noted for their defensive abilities. Rosseel's aggressiveness and fine passing made him an excellent guard. In addition to his backcourt work, Hurley saw action at forward. He became one of the team's top shooters. More importantly, John has another year to play.

John Houston, George Killeen and Joe Civiello were the sixth, seventh and eighth "starters". Houston and Killeen were deadly shooting forwards, Civiello, a hustling guard.

Jim Garvey, Rick Trembowicz, Tim Foley, Phil Dolan and Mike Moran, all Juniors, gained varsity experience and will be returning next year.

VARSITY - John Rosseel, Jim Marois, Joe Civiello, Jim Garvey, Tim Foley, Rich Trembowicz, John Houston, Mike Sturgis, John Hurley, Kevin McMaster, Phil Dolan, John Welsh, George Killeen, and Mike Moran.

JUNIOR VARSITY - Chip Bibaud, Bill Collins, Joe Prendiville, Bernie Quinlivan, Jeff Hebb, Paul Capstick, Jack Vuona, Fran Shea, Paul Houston, Sam Levesauskas, Ron Bottom, and Mike Frisch.

FRESHMEN - Paul Blanchette, Mitch Bolus, Paul Brunell, Kevin Crimmins, Dan Deedy, Ron Dufault, Jon Eddy, Jay Egan, Tom Gagne, Joe Gulacherski, Steve Kackiela, Matt Koomey, Steve Lajko, Mike McEvily, Mark Quinlivan, Pat Rosseel, Stan Schliapa, Kevin Spreadbury, Ed Tidman, Tim Wickstrom, and Dick Wilson.

The 1972-73 version of the St. John's Indoor Track team faced a tough ten meet schedule. The campaign started slowly as Fitchburg defeated St. John's in the season opener. Wachusett provided the opposition in the next meet. Unfortunately, the Pioneers suffered much the same fate which they had met against Fitchburg, Wachusett capturing the victory. However, St. John's came back strong in the Oakmont meet, chalking up their first win. Burncoat High was the next opponent. The Pioneers continued their winning ways, gaining the season's second victory.

With a record of two and two, St. John's went into the heart of the schedule. At the hands of Leominister, St. John's lost meet number three. As they had done before, the Pioneer trackmen bounced back. They took the measure of South High at the Armory. This win again evened the record, three wins and three losses.

In the next meet, powerful Doherty High blitzed St. John's to their fourth defeat. The Pioneers attempted to gain revenge for the earlier losses to Fitchburg and Wachusett Regional. However, the outcome was the same as before. Fitchburg, and one day later, Wachusett, handed St. John's their fifth and sixth set backs. The last meet of the season was against Oakmont High, still smarting from the first victory of the Pioneers. St. John's was able to defeat Oakmont once again to finish the year with a win. The Indoor Track season came to an end, the final record being four wins and six losses.

Paul Wojciak, Dave Hadley, Mark Webber, Linas Vaitkus, Gary Smith, Bob Ostrosky, Mike Moynihan, Mark Ranauro, Dave Blanchette, Larry McKevitt, Mike Barry, Don Desorcy, Kim Visbaras, Rich Houston, Mark Flynn, Bob Reidy, Jim Power, Bill Ranauro, Warren Garabedian, Bob Patnod, John Tracy, Chris Walton, Jim Coggins, Steve Andrzejczyk, Bob Flagg, Mike Tracy, Pat Griffin, Mike Flynn, Bob Beauregard, Jim Grogan, John Turpin, Shawn Lehair, Jim Largess, John Coggins, Dave Mucci, Mike Camusso, Tom Kennedy, Steve Etre, Steve Spence, Al Grasso, John McCaffery, Bob Goodell, Chris Booth, Bob Wedgewood and Greg Stranieri.

Indoor Track

Although the Indoor Track season was less than spectacular, many individuals on the team were stand out performers. In this group were the Pioneer Tri-captains Mark Ranauro, Mike Moynihan and Bob Ostrosky. Mark threw the shot, constantly taking first place. He set the school record, 48'5". Mike centered his efforts on the 300 yard dash. In his years at St. John's he gained a reputation for giving 100% at all times. Bob was seen as one of the Pioneers' brightest stars at the beginning of the year. Unfortunately, a knee injury ended his season prematurely.

A pleasant surprise for St. John's was junior high jumper Kim Visbaras. Kim finished second in the Class C State Finals. Dave Hadley also proved himself a fine performer in this event.

Two Pioneer athletes that looked good in the 40 yard hurdles were Linas Vaitkus and, again, Dave Hadley. In the 40 yard dash a flying freshman, Steve Spence, led the way. Kim Visbaras was never far behind.

St. John's had many tough competitors running the 300. They included Paul Wojciak, Dave Blanchette and Larry McKevitt. Mike Barry and Bob Patnod were the top Pioneers in the 600. Jim Power and Jack Tracy became well known for their 1000 efforts.

Junior Rich Houston was St. John's best miler and among the fastest in the area. Freshman John Coggins is a good future prospect.

Wojciak, Vaitkus, Barry, McKevitt and Spence combined their talents in the relay.

Mark Webber, an excellent runner, missed the season because of injury.

Hockey

As the season began, the Hockey picture at St. John's was very bright. A team with fourteen veterans, the Pioneers' biggest asset was experience. This experience enabled them to equal the record of the previous year's state finalists.

The Pioneers started quickly, defeating Marlboro and, on the following weekend, winning the first St. John's Holiday Classic. However, they closed out 1972 with losses to Hudson and Auburn.

January was a month of success as the Pioneers went undefeated. St. John's gained victories over league rivals Wachusett, St. Mary's and Marlboro, as well as Doherty and Burncoat. The only game which they failed to win was a tie against St. Peter's.

In February, the Pioneers lost the second St. Peter's game on a controversial goal. Returning to their winning form, they defeated Natick, Burncoat, Wachusett and Hudson. St. John's fought Catholic Memorial to a standoff in a high-spirited encounter. A second loss to Auburn was sandwiched between victories over St. Mary's and Doherty.

Carrying a record of 14-4-2, St. John's faced St. Peter's in the first game of the Districts. The Pioneers were not denied this time as they demolished the Guardians, 5-1. This victory entitled St. John's to another shot at Auburn with the Central Mass. crown at stake. The teams battled to a draw for two periods. However, three unanswered goals in the final session gave the win to Auburn.

The success of this team proved that the 1971-72 season was not a fluke. St. John's is a hockey power and Pioneer teams will be heard from in the future.

The Hockey team was led by All-Everything, Captain Dave Temple. It seemed that Dave only left the ice between periods. Playing defense and left-wing, he stood out as one of the finest players in the area and certainly one of the greatest to ever play for St. John's. The first line was centered by the other Pioneer Captain, Brian Kittredge. Brian was well known for his heavy hitting. Wings on the line were Paul Dewey and Brian "Squeaky" Hanlon. Paul won the Central Mass. scoring championship with Squeak following close behind. Both were named League All-Stars.

Sophomore Kevin Turcotte skated center on the second line, completed by Mark Farley and Gerry Decaire. This line was small, but the trio could move. Their speed and determination more than made up for the lack of size.

Defensively, Mike Higgins and John Bertrand teamed with Temple to give St. John's one of the strongest defensive corps in the league. It became common Knowledge that entering the Pioneer zone meant being hit by one of the threesome.

In goal, Jim Stewart and Bob "Rocket" Eramo shared the duties. However, Rocket was this year's star. His shot-stopping ability made the Pioneers a threat in every game they played.

Seniors Tom Megan, Tim Atchue and Jim Roy along with Bill Valinski, Mark Burns, John Gilmartin, Jim Winske and Roger Kane rounded out the squad. These players were always ready to step in when called upon.

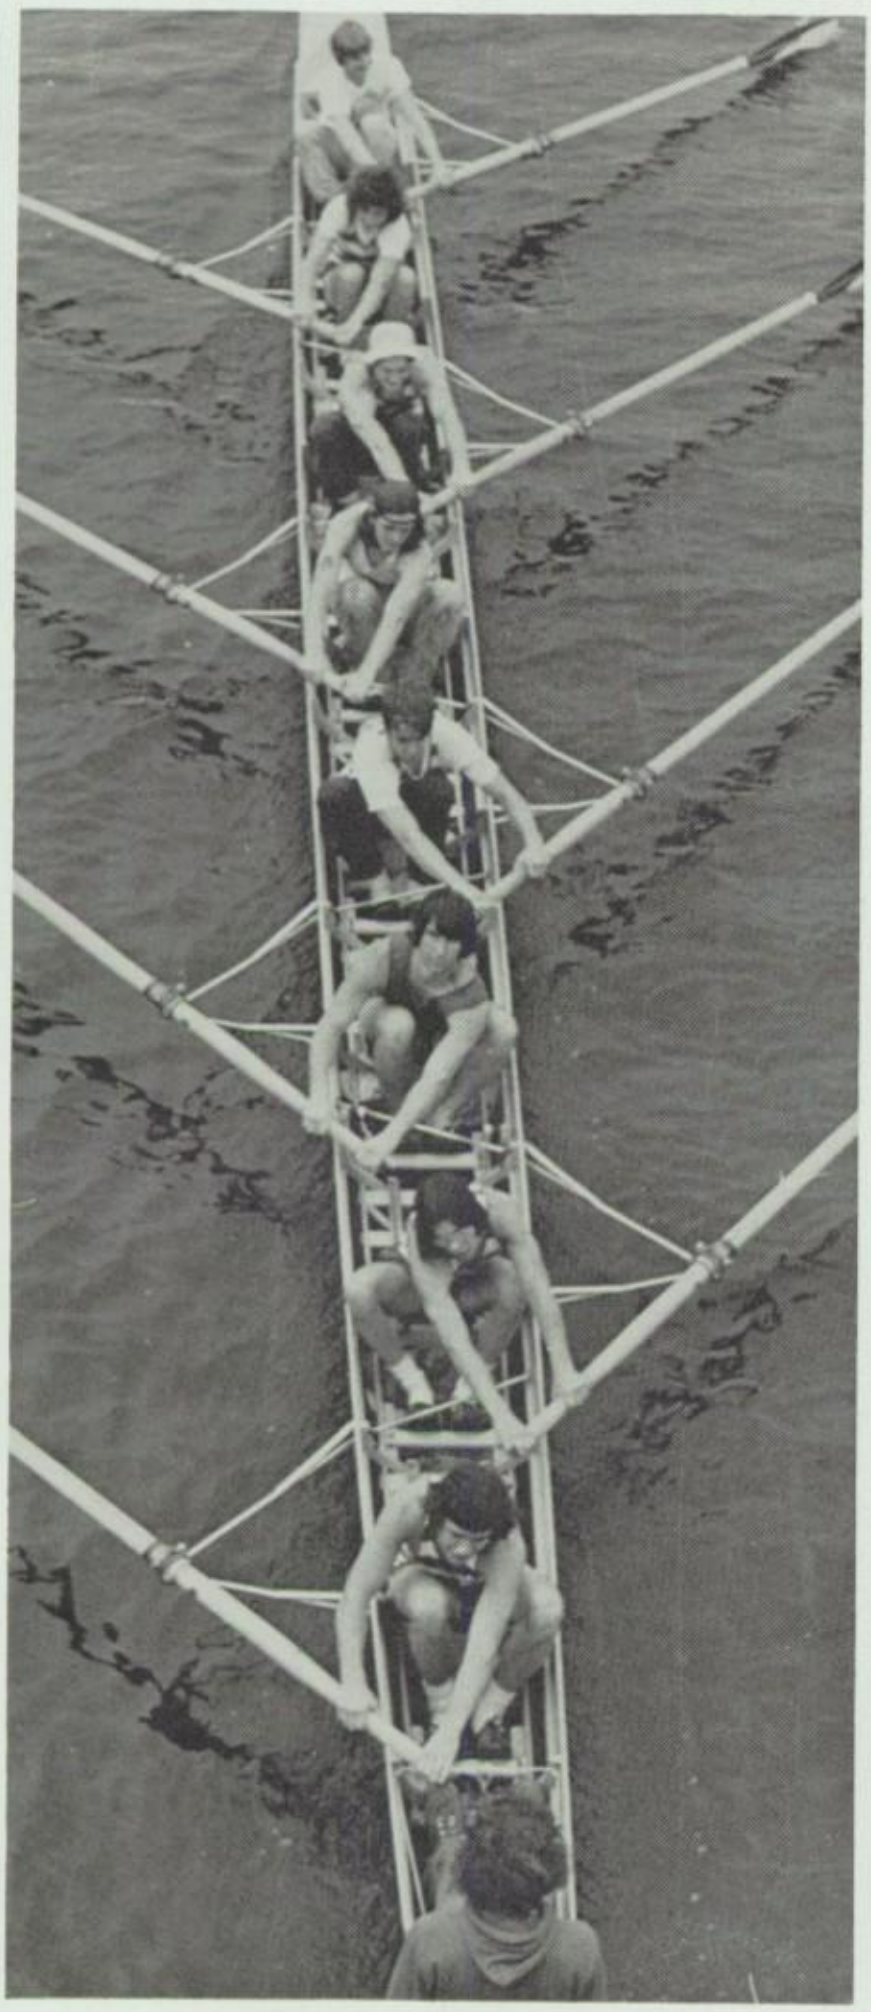
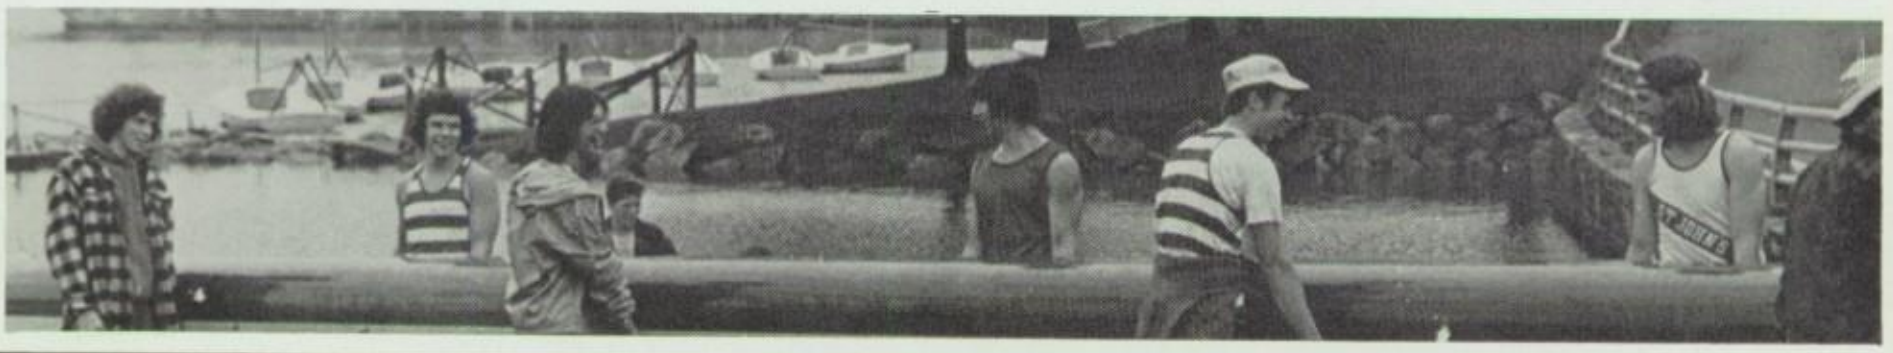
Crew



The 1973 St. John's Crew was Co-captained by Jay Griffin and Mike Sereti. Jay rowed the stroke position and Mike was known for his strength and desire. Seniors Mike Molloy and Paul Kelly, along with Juniors Steve Ciras, Jim Kenary, Bob Reidy and Brian Hedberg completed the first crew. Marc Lozeau, rowing stroke, Rick Tremblay, Rick Allegro, George Latham, Bill Spitz, Bob Shea, Don Tremblay, Bob Gardiner and John O'Keefe manned the second boat.

In the first race of the season the boats rowed against a strong head wind at Middletown. The first crew lost by eight seconds while the second boat won by a length. Lake Quinsigamond was the site of the year's second race, the Quinsigamond Cup. In a field of five, the Pioneer first crew finished second, losing again to Middletown by three seconds. The second boat won, defeating the nearest rival by two lengths. Next, St. John's faced Andover on the Lake. Both Andover crews were victorious by thirteen seconds. For the last scheduled race the Pioneers journeyed to Tabor. Rowing in a fierce wind, St. John's first boat lost by less than two seconds. The second crew suffered a similar fate, losing by four seconds. Although unable to gain a victory during the season, the first boat did defeat the Holy Cross freshmen crew on the Lake.

The Crew program at St. John's continues to grow every year. This year, thirty-one students were involved. Twenty-seven of these will return next year. Also, the Pioneers will have their own shell in 1974. Noting these facts, the Crew outlook at St. John's is very optimistic.



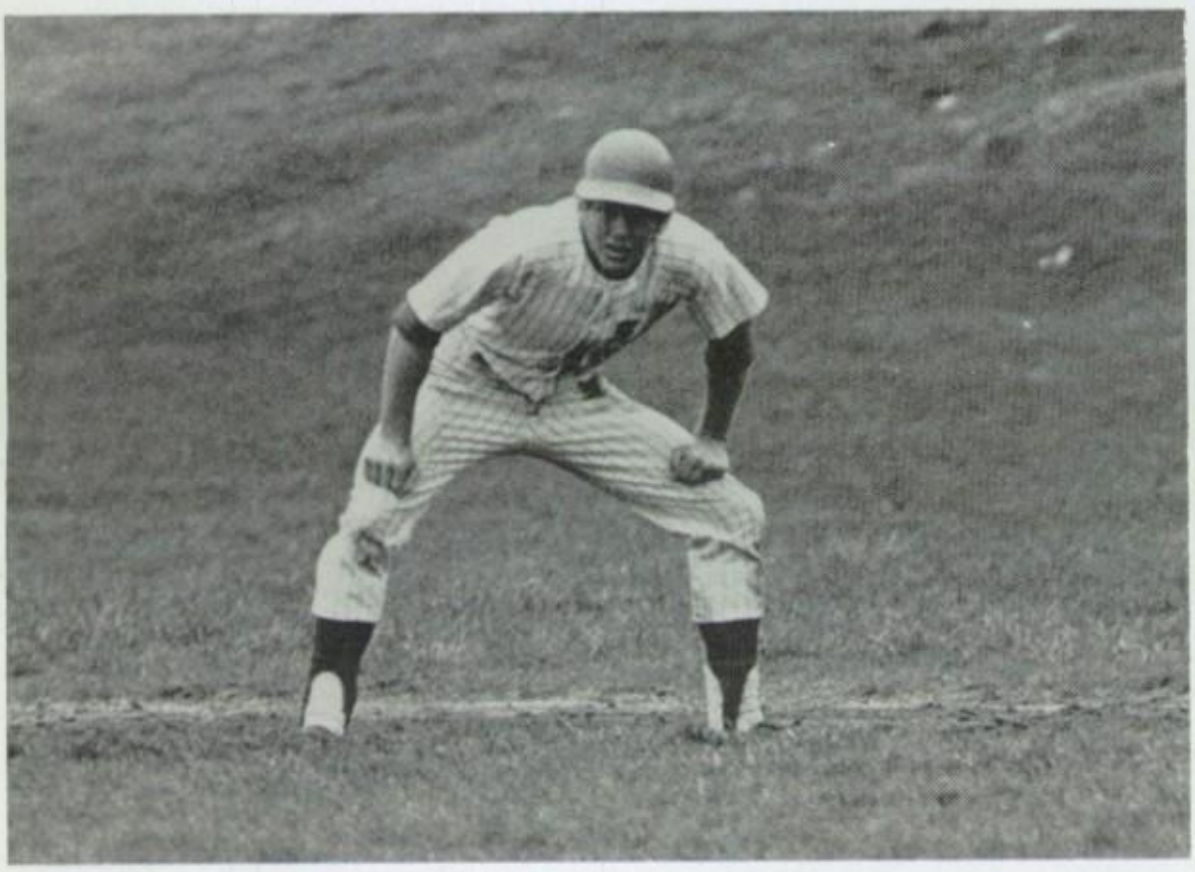
In 1973, St. John's fielded one of its strongest baseball teams in recent Pioneer history. Much of the success was due to co-captains Jon Brunell and Tom Shilale whose skills were recognized by the awarding of Pioneer awards to each of them. The pair played excellent defense from their outfield positions, but their real strengths lay at the plate and on the bases. Brunell batted lead off from which he consistently got on base and moved on to score. Shilale batted third, the power position, from which he drove in numerous runs.

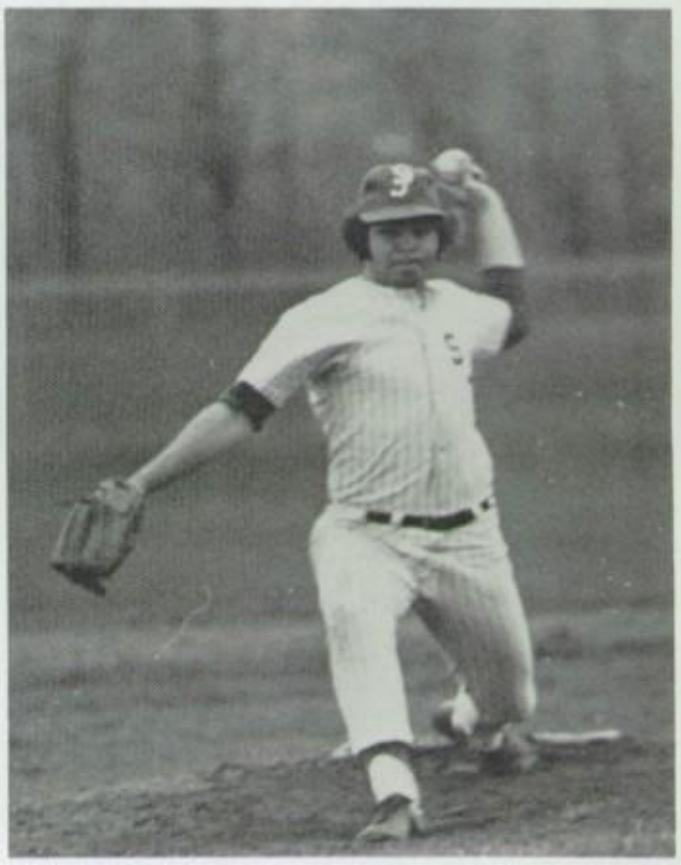
The third outfield position was held down by Bob Eramo whose hustle and determination was exceeded only by his genuine baseball ability.

The infield positions were dominated by underclassmen, with second base being the only exception. Jim Mias and Paul Butts, both seniors, split the duties there. Juniors Tom Marzilli and Mike Moran guarded the left side of the infield from third and short while another junior, Tim Foley, protected the first sack.

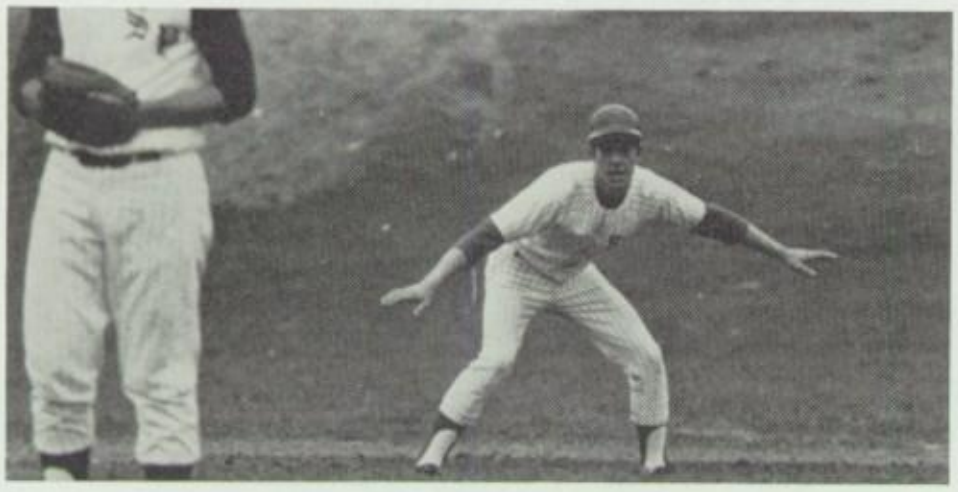
As for the battery, underclassmen again came to the front. The catching was done very capably by Junior Rick Trembowicz, but the real story was the pitching. Juniors Mark Killeen and Jim Derry combined to form one of the finest staffs in the area as they gave up only three losses all season. John Nordberg and Bill McKenna, both seniors, provided relief help when needed.

In addition, Jim Vuona and Rich Rogers both saw much action, filling in at various positions.





Baseball

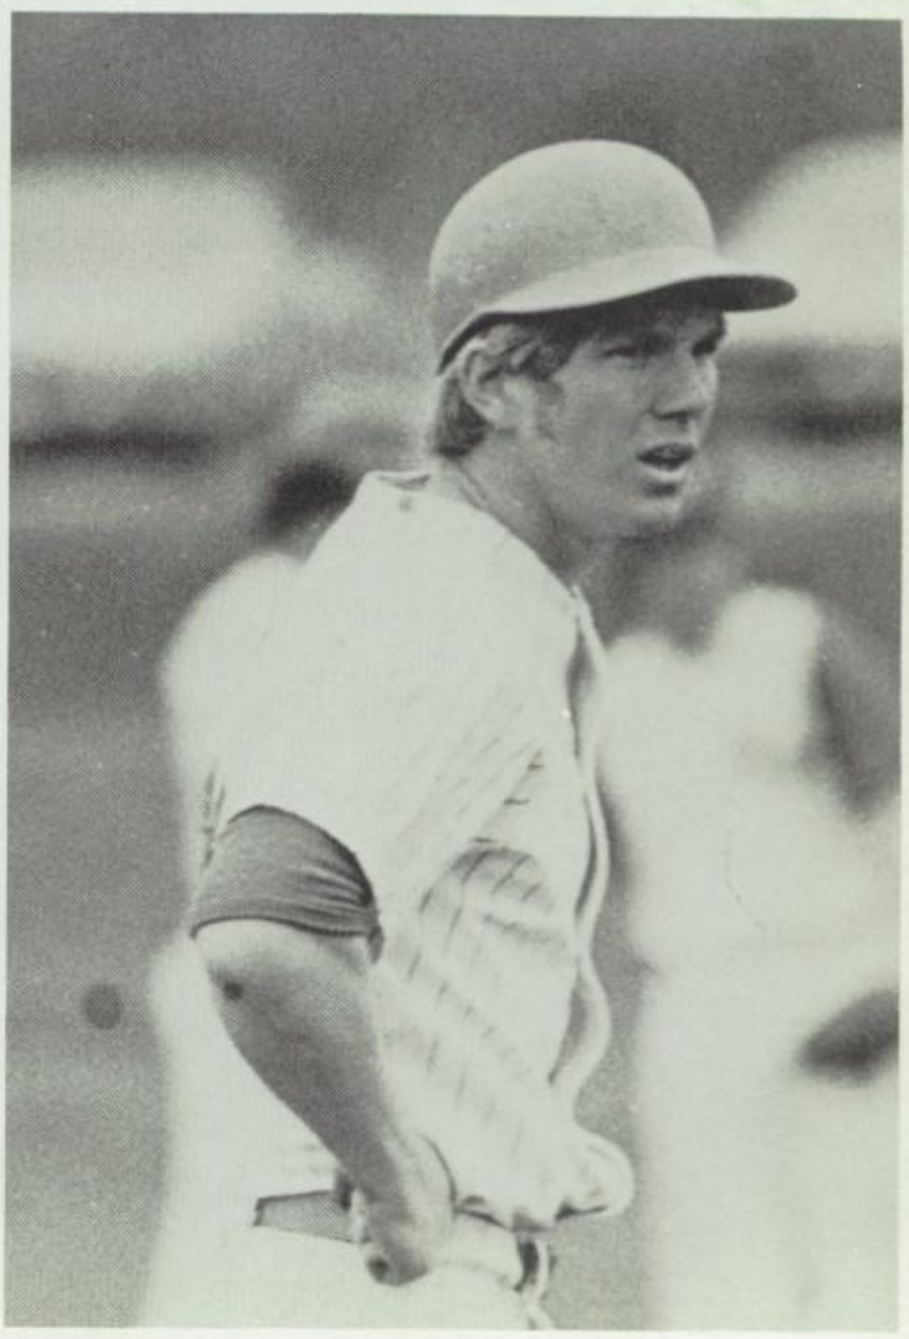


The baseball team finished the season with a record of 18-3. By itself, this represents an excellent record, but it was even better than it looks. For one thing, all three losses came at the hands of a single team, St. Peter's. Furthermore, each of the losses was by a single run. Against every other area team, St. John's was unbeatable.

As the season started out, SJ had only one real goal, to make the District III playoffs. Recent years had seen Pioneer baseball fortunes at a low ebb, and even this goal was often in doubt until near the season's end. Thus, when the first game against powerful St. Peter's rolled around in early April, many people expected a loss. They weren't disappointed. We would just concentrate on the other teams, and hope not to lose too many.

A funny thing happened in the month leading up to the second St. Peter's game though. SJ did not lose any games, never mind too many. People associated with the team were cautiously optimistic then when the second showdown rolled around, but again, the Pioneers lost by a single run.

Funny things continued to happen as St. John's started another winning streak which continued through the end of the regular season. They entered the Districts as the top-seeded team and quickly mowed down their early competition to set up a final showdown with St. Peter's for the District crown. SJ people were very optimistic this time as the team was playing the best baseball in the area. But, the St. Peter's hex continued. Final score, St. Peter's 2, St. John's 1.



VARSITY - Jon Brunell, Tom Shilale, Bob Eramo, Paul Butts, Jim Mias, John Nordberg, Jim Vuona, Rich Rogers, Bill McKenna, Mike Moran, Rich Trembowicz, Tom Marzilli, Tim Foley, Joe Jordan, Mark Killeen, John Granger, Jim Derry, Mike Creane, Jim Stewart and Rich Webber.

J.V. - Jack Mias, Fran Shea, John Moran, Jim Coggins, Paul Capstick, Bob Hinson, Sam Levesauskas, Rich Hurley, Steve Lemieux, Mike Holohan, Dan Buduo and Brian Rivers.

FRESHMEN - Dan Ford, John Coggins, Paul Blanchette, Sal DeStefano, John Graham, Paul Breen, Joe Buduo, Al Sukis, Bob Buduo, Paul Brunell, Mike Cammuso, Steve O'Neil, Ray Cosenza, Jim Grady, Mike McEvilly, Jim Carlo, Jim McDonald, Pat Rosseel, Pat O'Connor and Kev Spreadbury.

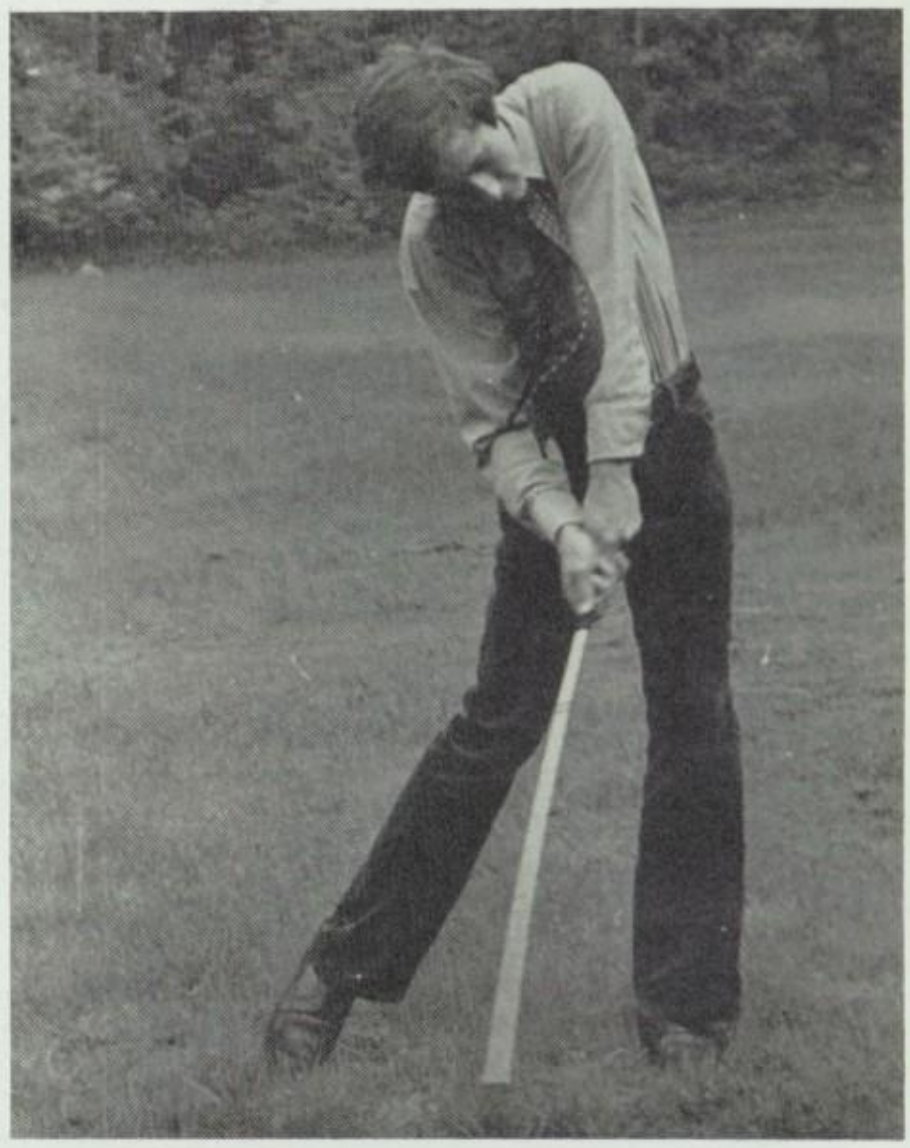
Golf

1973 was a very successful year for the St. John's Golf Team. While in route to the Catholic Conference Golf Championship, they compiled an impressive 11-3-1 record. After beginning the season with five straight victories, the golfers hit a mid-season slump, suffering two losses to inferior teams. However, they rebounded by winning five out of their last seven matches including a playoff against Holy Name. Among their victims were first rate teams such as Leominster and Burncoat. The St. John's six qualified for the districts but did not fare too well against the likes of Auburn and Westboro.

The team placed two players, sophomores Jim Orcutt and Rick Watrous, in the State Individual Tournament. Jim, a dangerous putter, was medalist five times. Rick, the longest hitter on the club, played his best in the pivotal matches.

The seniors contributed their leadership and when called upon provided the necessary punch. Captain John Hanlon, out for the season with a broken arm, attended every match and practice, and shot under 50 with one arm. In his first year on the team Bill Brewin accumulated the third highest average. Jim Foley, a threat from anywhere on the fairway, broke the 40 barrier against Leicester. Jack Taylor thrilled the galleries with his ninth hole putts and was the difference in several close matches.

Other heavy contributors were Chris Harney and Rich Lacouture. Chris exhibited flashes of stardom while "Lac" was the class of the team. Rounding out the squad were Paul Gay, Ray Konisky and Marc McGee.



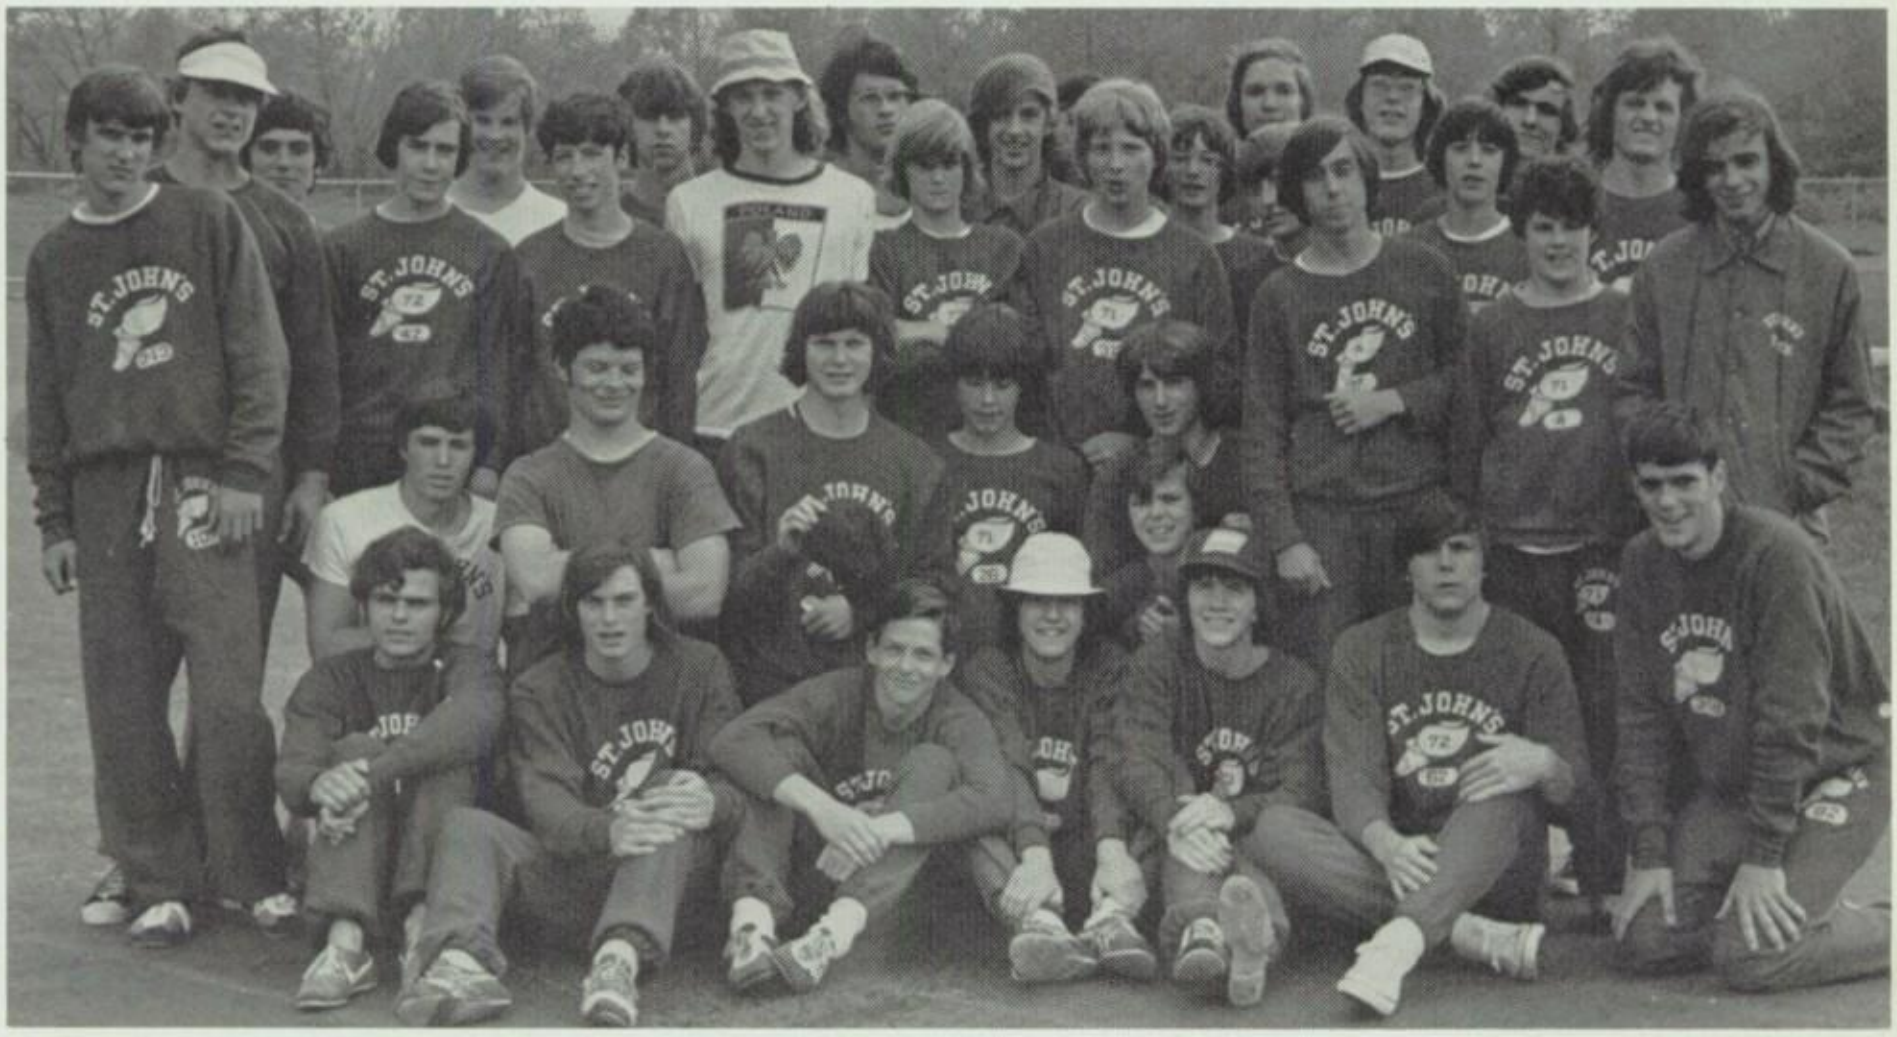
Track

As usual, the 1973 model of the St. John's Outdoor Track team was a success. The Pioneers faced the toughest competition in the area and finished with an enviable six win, three loss record.

St. John's started quickly defeating North in the opening meet. Two days later, Holy Name fell victim to the Pioneers. The victory streak reached three as St. John's easily handled St. Bernard's in Fitchburg. However, the Pioneers suddenly found themselves on the short end of the scores. They suffered their first loss against Doherty, a perennial powerhouse. In the following meet another strong team, Wachusett, turned aside the Pioneers. At this point, St. John's record was only 3-2.

St. Peter's was the next team to arrive at Pioneer Field. After the meet, they wished that they had never seen Shrewsbury. St. John's completely annihilated the rivals. After a break for the District meet, the Pioneers continued their winning ways on foreign tracks. They defeated Fitchburg and on the ensuing day beat Burncoat convincingly. Again, the victory string was at three. Unfortunately, it got no higher. St. John's dropped the season's finale to Leominster.

The major reason for the success of the 1973 Pioneers was the strength in the field events. Four St. John's records were set. Especially encouraging is the fact that two of the new record-holders will be returning next year.



Linas Vaitkus, Mark Ranauro, Marc Richard, John Fitzgerald, Mark Webber, Gary Smith, Bob Ostrosky, Mike Sturgis, Don Grubba, Jim McGrail, Mike Moynihan, Paul Wojciak, Dave Hadley, Dave Jundanian, Jim Garvey, Mark Flynn, Larry McKevitt, Mike Barry, John Fouhy, Don Desorcy, Kim Visbaras, Peter Blute, Bill Ranauro, Ken Saunders, Courtney Grimes, Jim Power, Rich Houston, John Hurley, Bill Valinski, Jack Tracy, Bob Patnod, Joe Tracy, Chris Walton, Steve Andrzejczyk, Paul Gadilauskas, Rene Richard, John Flynn, Jon Lupien, Brian Fox, Dave Fitzgerald, Pete Montzouras, Paul Powers, Steve Spence, John Turpin, Kev Brown, Jim Plasse, Paul Vaitkus, Shaun Lahair, Dave Mucci, Jim Grogan, Jim Largess, Matt Roach, Dave Cahill, Phil Brennan, Joe Finnegan, Bob Beauregard, Rich Yacuzzi and Jon Eddy.

The Outdoor Track team was led by Co-captains Linas Vaitkus and Mark Ranauro. Linas showed his talent in the high hurdles, triple jump and relay. Mark threw the shot 49'10" for a school record and placed in both the District and State meets.

Other stand-outs include Don Grubba, who was the District champ in the javelin event and set a new Pioneer record. Mark Flynn tossed the discus 137' for a record and took third in both the Districts and States. Kim Visbaras set the triple jump record at 43' in addition to being the District champ and runner-up in the State meet. John Fitzgerald, despite torn ligaments, finished third in the State long jump.

Bob Ostrosky competed in the high jump, triple jump and captured third in the low hurdles at the Districts. Jim Garvey and Mike Barry were well-known in the 880. Also, Garvey vied in the long jump and relay. Seniors Marc Richard and Gary Smith were the Pioneer pole vaulters. Freshman Steve Spence, Paul Wojciak and John Fouhy ran both the 100 and 220. Wojciak and Larry McKevitt completed the relay team which took fourth in the Districts.

St. John's was strong in both the mile and two-mile events. State-finalist Rich Houston, Jim Power and John Hurley were the leading milers. Mark Webber, Jack Tracy and freshman John Turpin ran a fast two miles. Don Desorcy performed equally well in both the high and low hurdles. Senior Mike Moynihan also found the low hurdles to his liking.

BRO. FLAVIAN

For among Bees and Ants are social systems found complex and well-order'd as to invite offhand a pleasant fable enough: that once upon a time, or ever a man was born to rob their honeypots, bees were fully endow'd with Reason, and only lost it by ordering so their life as to dispense with it; whereby it pined away and perish'd of disuse.

Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences,
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories.
They're all that's left you.

EXIT

The Board of Admissions is pleased to inform you that, subject to the satisfactory completion of your secondary school work, your application for admission has been approved for 1973-74.

I don't know who my grandfather was; I am much more concerned to know what his grandson will be.
